

Epic Win.

Mobile Deposits from your Credit Union

In life, there are wins...and there are *epic wins*. Depositing checks with your smartphone or tablet is definitely epic.

With the credit union's mobile app and the camera on your mobile device, you can snap a picture of your check and deposit it into your credit union account from virtually anywhere, anytime. There's no driving, and no deposit slips, envelopes or lines.

Your deposit is as secure as depositing checks at a credit union branch or at an ATM. Check images are never saved on your device, and you'll have a user ID and password to access your account.

Here's how Mobile Deposits work:

- ▶ **Open** the credit union's mobile app and select the deposit feature.
- ▶ **Select** the account to receive the deposit, and enter the check amount.
- ▶ **Snap** photos of the front and back of your endorsed check.
- ▶ **Verify** your deposit amount.
- ▶ **Send.** You'll receive confirmation that your deposit is being processed.

It's fast, convenient and easy to use.

Life just got easier with Mobile Deposits. Contact your credit union to learn more.
