

# Bank When You Want

**Mobile Deposits  
from your  
Credit Union**

# Say Hello to Convenience.

Got a check to deposit? Depositing checks with your smartphone or tablet trumps driving to a branch or an ATM.

With Mobile Deposits from your credit union, you can deposit checks on *your* time – business hours or not – from virtually anywhere. All you need is your credit union's mobile app and the camera on your mobile device. It's as simple as snapping a picture and sending it to a friend.

**Fast.** Just select the deposit account, key in the deposit amount, snap pictures of both sides of your endorsed check, and send. You'll receive confirmation that your deposit is being processed.

**Convenient.** Skip the driving, deposit slips, lines and ATMs. Get it done while you're thinking about that check!

**Easy to Use.** The credit union's secure mobile app steps you through the short process.

Shorten your "to-do" list faster. Bank on *your* schedule with Mobile Deposits. Contact your credit union to learn more.
